

Reassurance

"**Reassurance**" is a new men's vocal group with a special ministry of encouragement to the local churches. Our music is a blend of classic southern gospel and traditional hymns of the faith with a sprinkling of praise and worship choruses. We believe that God has called us individually to this ministry and then has brought us together as a group for His purpose. First and foremost we want to praise and honor the name of Jesus so that He will be glorified in all that we do. And as we minister to our fellow believers we want to **reassure** them that no matter what is happening in the world today or even in our own lives, God is still in control and still takes care of His children. Our ministry is also allowing us to fulfill His call to share the good news of the gospel as we share our music with others. We understand that there are lost people all around us, even in our churches, and we want to see them come to Christ. We actually see our ministry as threefold; to honor the name of Jesus, to encourage the believer and to share the gospel with the lost. We pray that God will use us to do just that.

If we can be of assistance to any of our local churches we would be honored. We are not for hire, we expect no pay, we expect no love offering. We just want to serve and minister to others and lift high the name of Jesus. We can be contacted by phone or text at 256-412-6879.
